【Subaru booth design and program】

- Throughout the theme of its booth design “Unchanging spirit pursuing driving pleasure -Proud of BOXER-”, the booth was designed in the image of catwalk of fashion shows. Subaru lineup will be exhibited in the same direction under the light, sound and image effects.
- The racing cars for Super GT race, 24 Hours Nürburgring endurance race and International Rally Challenge (IRC) will be exhibited. Subaru BRZ, Subaru XV and the new Forester which embody “Enjoyment and Peace of Mind” driving experience will also be at the booth.
- Starting from the announcement of Subaru’s 2013 motorsports’ entries, five talk shows will take place during the exhibition. Rally driver Toshihiro Arai and other race drivers who joined Super GT races and 24 Hours Nürburgring endurance race will appear on the stage. In addition, a caravan called “Forester Live” to demonstrate the new Forester’s vehicle performance in the five major continents will be broadcasted live.
- The special site for Subaru Auto salon will be opened on December 27.
